Howl from the President of TCPP

Herro!!

I cannot believe it has been a few months already! Time has been flying by! We are still new to the community but we are growing steadily.

I am proud to announce that TCPP & NSKC has decided to host a "Unity Beer Bust" to help show the community that we are here for each other and for the community. I am rather excited to take part in this. The funds will go to **Helping Paws**. This charity is amazing. They raise puppy's to be service animals for veterans. Such an amazing cause.

We have already had a couple events. Nothing too big yet, but there are more to come! We still are new but we have plenty of ideas in the works. We also, are looking for ideas and suggestions for events that our members would love and enjoy. If you have any ideas, please reach out to us!

We are already at 15 members, this is a great achievement and we are welcoming with open arms and paws! Say hi to any of our amazing Board members when you see them out. Ask them questions, give them feedback. It is always welcome!
